Students Association Newsletter

PRESIDENT'S ADDRESS

EDITOR'S NOTE

I have had a good time putting the newsletter together this year. I only have two wishes: 1) that the newsletter keeps going next year and 2) that I get a job before my student loan runs out.

Enjoy Yourselves !!!!!

Tim

When Tim Keelan asked me to write a president's address, I was uncertain what a president actually addresses. This hasn't changed and the deadline has arrived.

I guess I want to start with alot of thank-you's. Firstly to the outgoing GSMSA officers, NATE FRANKE, EILEEN SCHAEFER, MIKE BENVENUTI, JIM GLOVER, and CHARLES WASHINGTON. We all owe a debt of gratitude for the fantastic work they have done for GSM in the last year. Without their work there wouldn't be much for the new officers to take over.

Secondly on behalf of all the new officers, DIANA COOPER, CURTIS TANI, KRISTEN MONSON, and STEVE SOMMER, I would like to thank all of you for your support in electing us to handle things for the next year. I only hope we can live up to the standards set by our predecessors

I also think we all owe a debt of gratitude to the staff here at GSM without who's help we might not be able to make it from October to June. And, of course, the faculty for imparting a vast array of knowledge in a relatively short time.

But, you may ask, what of next year? Well, we hope to keep things running as smoothly as they did this year. Many of you are aware of the new P.C. lab which will be in operation sometime next year. Suggestions have also been made to convert the current research collection into a more hospitable "reading room" for students and faculty alike. We hope both of these projects will be completed before this time next year. Of course we will be holding the old regulars like the Chili Cook-Off, Student-Employer Reception, Alumni Night, Awards Banquet and Picnics, but we also are looking for your suggestions for more events which might be added to the GSM Calendar. So feel free to approach any of the new officers with your ideas, we're all here to help and look forward to serving you for the next twelve months.

WOMEN IN MANAGEMENT

The results have been tabulated and by a unanimous vote Women in Management will remain as the official name of G.S.M.'s women association. We hope you will feel free to join us next year and take advantage of the many activities we have planned. If you have any questions whatsoever please contact DEBBIE KLOMAN or MALU ROLDAN.

Thanks !!!!!
